2027, European Year of the Normans

Participate in the European Year of the Normans

The call for projects is now closed (since 31 January 2026).

However, organisations and project leaders based in the partner territories of Millenium – 2027, the European Year of the Normans (Normandy, the United Kingdom, the Channel Islands, Ireland, the regions of Southern Italy, Flanders, Norway and Denmark) are still warmly encouraged to take part in the programme.

Submit your initiative

You can apply for the official label and request to have your project or attraction featured on the website by completing the form below.
Whether you are planning a new project for 2027 or adapting an existing initiative to align with the Year of the Normans, we would be delighted to showcase your contribution.

Need support or information ?

For further details or to explore opportunities for local or European cooperation, please contact us at:
